

Simple Steps to Kiss and Ride Drop Off

Walking or wheeling is the safest way to get to school. If this is not possible, help keep our students safe by:

1 ARRIVAL AT SCHOOL

Please arrive before the bell to avoid traffic congestion and have all backpacks and school supplies ready.

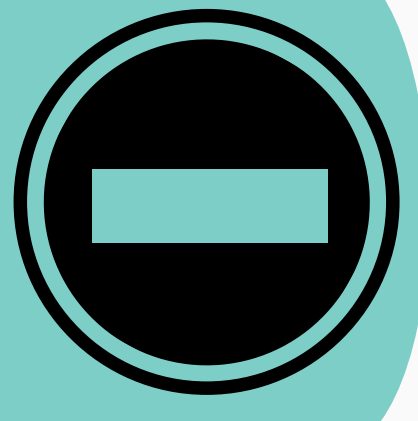

2 PULL AHEAD

Pull ahead as far as you can in the lane.
TIP: If you do not see a spot to stop in the waiting area, complete a loop.

3 PUT YOUR CAR IN PARK

When it is safe to stop, please put your vehicle in park.
TIP: If you are parked for more than 30 seconds, turn off your vehicle engine to avoid idling.

4 DO NOT EXIT YOUR CAR

If you need to help your child out of the vehicle, please park in a designated parking area. Drivers should not exit their vehicle in the Kiss and Ride lane.

5 CHILD EXITS THE CAR

Your child should exit your vehicle without your help. Please have them exit from the passenger side of the vehicle.

6 FOLLOW THE SIGNS

Once your child is safely on the sidewalk, leave the Kiss and Ride lane by following the signs.

Simple Steps to Kiss and Ride Pick Up

Walking or wheeling is the safest way to get home from school. If this is not possible, help keep our students safe by:

1 ARRIVAL AT SCHOOL

Please arrive 5 to 10 minutes after the bell to avoid idling.

2 PULL AHEAD

Pull ahead as far as you can in the lane.

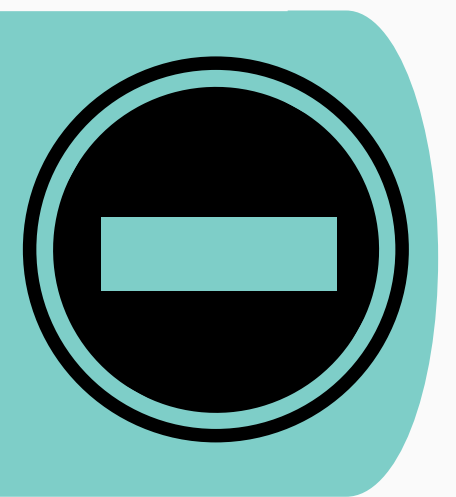

TIP: If you do not see your child in the waiting area, complete a loop.

3 PUT YOUR CAR IN PARK

When it is safe to stop, please put your vehicle in park.

TIP: If you are parked for more than 30 seconds, turn your vehicle engine off to avoid idling.

4 DO NOT EXIT YOUR CAR

If you need to help your child into the vehicle, please park in a designated parking area. Drivers should not exit their vehicle in the Kiss and Ride lane.

5 CHILD ENTERS THE CAR

Your child should enter your vehicle without your help. Please have them enter from the passenger side of the vehicle.

6 FOLLOW THE SIGNS

Once your child is safely in the vehicle, leave the Kiss and Ride lane by following the signs.
